

## GPS 2.0 - Graphical Performance Statistics Sales Proposal

Graphical Performance Statistics is an interactive web-based service for TALONes dealers. Dealership standard dashboards based on Key Performance Indicators (KPI) will be available to subscribers 24/7 using their internet enabled device. Dashboards will provide graphical representation of dealership performance with the comparisons between past and current data along with regional and district averages.

### Sales Proposal

Store #1 \_\_\_\_\_ Store #2 \_\_\_\_\_ Store #3 \_\_\_\_\_ Store #4 \_\_\_\_\_ Store #5 \_\_\_\_\_
